### PERSONAL INFORMATION

Birthplace: Winston-Salem, NC.  
Citizenship: United States.

### WORK EXPERIENCE

10/18 to present. Owner, Clear Skies Psychiatry, LLC.

- Solo self-pay private practice offering psychiatric evaluations, medication management, and psychotherapy for children and adolescents age 3-17, and adults age 18-64 in the Denver Metro area. Also offering telemedicine visits statewide across Colorado.

5/15 to present: Tele-psychiatrist, Adult and Child Outpatient Psychiatry. Comprehensive Healthcare, Yakima, WA. 19 hours/week.

- Psychiatric evaluation and medication management via telemedicine of children, teens and adults with psychiatric disorders in several rural communities across central Washington.
- Physician Supervisor of the CLIP (Children's Long-term Inpatient Program) team to adolescent patients admitted to Two Rivers Landing inpatient facility. Attend weekly team meetings and collaborate with other care providers, supervise charts and consult as needed on difficult cases.

9/16 to 8/19. Tele-psychiatrist, Child Outpatient Psychiatry. Compass Healthcare, Everett, WA. 7 hours/week.

- Psychiatric evaluation and medication management via telemedicine of children ages 4-18 with psychiatric disorders in rural communities across the San Juan Island region. Collaboration with therapists and Primary Care Providers as needed to integrate care.

8/12- 8/15. Psychiatrist, Adult and Child Outpatient Psychiatry. Arapahoe Douglas Mental Health Network, Englewood CO.

- Evaluation and medication management of adults and child/adolescent patients in a private practice model.
- Cared for chronically mentally ill and indigent adults in a community mental health setting, including patients needing intensive case management, mental health certifications, long-term injectables and dual diagnosis services.
- Sole physician member of the "Practice Management Team," which set Key Performance Indicators for improving efficiency, productivity and care delivery across the agency.

8/08- 7/12. Psychiatrist, Adult and Child Outpatient Psychiatry. Colorado Permanente Medical Group, Kaiser Permanente, Denver CO.

- Psychiatric evaluation and medication management for patient members (ages 3-90+ years) in an outpatient setting for a large multispecialty group, with a patient panel size greater than 1500 patients, including use of EPIC and an highly integrated health-care system.
- Co-chair of the Regional Patient Safety Committee, and member of Peer Review Committee: Attended monthly local and quarterly regional meetings with other physicians and therapists to assess practice quality, outcomes and safety practices, and make improvement recommendations.
